

Cookie Statement

At Danone, we want to be open and transparent in the way we use cookies and what this means for you. Some of the cookies we use are essential for the functionality of our website, application, and platforms but there are also cookies that you can opt out of or block.

We strive to provide you with sufficient information on the cookies we use so you can make an informed choice on the information you share with us.

If you have any further questions or comments, feel free to contact us via programme.noe@danone.com

What are cookies?

A cookie is a small file saved on your computer or mobile device. It has a unique ID assigned to your device and enables the website to remember your actions and preferences (such as location, language, font size and other display preferences) over a period of time. That way, you don't have to keep re-entering the information whenever you come back to the website or browse from one page to another. Cookies can also help customize your browsing experience.

Not all cookies contain personal information but where they do, we will treat this information as personal data in accordance with our [Privacy Statement](#). We also treat cookie information as personal data where it is associated with your account or other contact information.

Types of cookies

There are two broad categories of cookies: persistent cookies and session cookies. Persistent cookies remain on your device until deleted manually or automatically. Session cookies remain on your device until you close your browser and are thereby automatically deleted.

Why do we use cookies?

Generally speaking, there are a few reasons why we may use cookies:

- Cookies that are strictly necessary for the website to function and to enable you to make use of the services we provide;
- Cookies that collect data related to the use of our website and the performance of it. We use this information to improve our online products and services.

Please see below for further information on the types of cookies we use.

Strictly necessary cookies

These are cookies that we need to be able to offer you a proper functioning website and which enables you to make use of the services we provide.

If these cookies are blocked, you will not be able to make use of our website.

[Analytics and performance-related cookies](#)

These cookies help us measure traffic patterns to determine which areas of our website have been visited. We use this to research a visitor's habits so that we can improve our online products and services. We may log IP addresses (that is, the electronic addresses of computers connected to the internet) to analyze trends, administer the website, track users' movements, and gather broad demographic information.

These cookies are not essential to the website and we will always ask for your consent before placing these cookies. Your consent will be valid for up to 13 months. You can withdraw your consent at all times. See more information [below](#).

Cookie name	Source	Duration	Description
_mp	Mixpanel, Inc.	365 days	Used to collect anonymised usage statistics.

[Your preferences](#)

It's possible to restrict or block cookies or even delete cookies that have already been placed on your device. If you do so, you may not be able to access certain parts of our website and we may think that

you have never visited us before and will therefore show you the Cookie Notice again and ask for your consent in placing cookies.

You can also restrict or block cookies by changing your browser's settings. The configuration of each browser is different. It is described in the help menu of your browser, which will allow you to know how to change your wishes for cookies.
